Subject: Roam Tolling

Dear Mr Clarke

Further our conversation yesterday I have investigated the issue raised in your enquiry.

I have found that we received your payment however we were unable to identify the vehicle or trips. Therefore we could not apply the monies against the Toll amount owing. I have withdrawn the administration fees from the Toll Notice issued to you by the RTA and have applied the monies received against the outstanding Toll amount.

Please contact me if your require any further information

Yours sincerely
