Dear Mr Clarke,

MOU – Desalination Project

I refer to your letter of 8 December 2009.

The Minister for Police and Emergency Services has provided me with a reference under S11 (1) (e) of the Commissioner for Law Enforcement Data Security Act 2005 to review the MOU entered into by Victoria Police in this matter. The Minister has asked that the MOU be examined to ensure that it reflects the CLEDS Standards for law enforcement data security and that appropriate compliance, controls and arrangements are in place in respect of it.

I hope to report back to the Minister in early 2010.

Yours sincerely
