Dear Roger

Thank you for your email of 14 September.

In your email you refer to my discussion with Dr Vaile some weeks earlier, at which I advised David that the Assistant Minister would convene a Round Table to discuss issues of mutual interest, and that the APF would be among the invitees to this event. As I explained to David during our call, the DTO will make a formal response to your letter after this round table has been held.

The Assistant Minister has suggested the Round Table will be in October, and we believe an agenda and details will be forthcoming next week.

I look forward to corresponding with you in more detail after this Round Table has taken place.

Sincerely
