Dear Senator Wright

**Comprehensive Revision of Telecommunications (Interception and Access) Act 1979
Supplementary Submissions**

APF submitted to your Committee on this matter on 14 October 2014.

APF is appearing at your Hearing on Monday 2 February, represented by Immediate Past Chair Roger Clarke and Board member Adam Molnar.

APF also appeared before the PJCIS last Friday 30 January, represented by myself as Vice-Chair, and Roger Clarke.

Because of the unsatisfactory nature of the interactions with PJCIS, we have provided that Committee with a Supplementary Submission.

We accordingly attach for your consideration the following:

- APF's Submission to the PJCIS re data retention, of 19 Jan 2015
- APF's Supplementary Submission to PJCIS, of 31 Jan 2015

We would be pleased if you would consider accepting these as further Submissions to your Committee.

Thank you for your consideration.

Yours sincerely,

Dr David Lindsay
Vice-Chair, for the Board of the Australian Privacy Foundation
